

Nothing but **HEAVY DUTY.**™

Product Information Document

Overview

Customer Facing Name:	SHOCKWAVE™ Insert Bit Phillips #2 5PK
Material Number:	48324601

Product Overview

The SHOCKWAVE™ Impact Duty Driver Bits provide the Ultimate Fit for a superior driving experience. The optimised SHOCKZONE™ shanks are customised per tip type to absorb peak torque and prevent breaking. The long-lasting Wear Guard™ Tip provides increased wear resistance, protecting the fit over the life of the bit. The customised tip geometry leads to less stripping of screws on the job site.

Features and Benefits

Ultimate Fit
SHOCKZONE™ shank absorbs peak torque
Long lasting tip, Wear Guard™
Customised tip geometry, less stripping
SHOCKZONE™ shanks are optimised per tip type to prevent breaking
Custom heat treat for longer bit life
